

Fast Facts – free access until October!

With over 100 topics covered, [Fast Facts](#) address knowledge gaps in healthcare enabling a dialogue between healthcare professionals, patients and other stakeholders from the healthcare ecosystem. We provide premium content to improve medical practice and our goal is to promote health through communication with a global network of medical practitioners and patients.

You can find more information about Fast Facts and can sign up your institution for free access [here](#).

Thank you for your support in our mission of connecting and advancing health sciences!

Yours truly,

The Karger logo, featuring the word "Karger" in a dark teal font and a stylized graphic of four colored lines (yellow, blue, red, and green) radiating from the top right of the letter 'r'.

Karger

About Karger Publishers:

Karger Publishers is a worldwide publisher of scientific and medical content based in Basel, Switzerland. It is independent and family-led in the fourth generation by Chairwoman and Publisher Gabriella Karger. Connecting and advancing health sciences since 1890, Karger has been continuously evolving, keeping pace with the current developments and shifts in research and publishing. The publishing house is dedicated to serving the information needs of the scientific community, clinicians, and patients with publications of high-quality content and services in health sciences. Karger Publishers has 240 employees and is present in 15 countries around the globe.
